## UPVC DRAINAGE PIPES AND FITTINGS

## CPVC, PPR PIPES AND FITTINGS

## PEX PIPE AND FITTINGS

## BRASS Gate Valves

The image displays a variety of industrial metal fittings and valves. The top row features four stainless steel components: a plug valve with a hexagonal head, a hex nut, a hex flange, and a threaded elbow. The bottom row shows six brass components of varying sizes, including two large flanged fittings, a medium-sized elbow, and three smaller threaded fittings. The background is a light blue geometric pattern.
